Special Assistant to the Ambassador  
American Embassy  
London W.1, England

Dear Freddy,

During 1957 a number of Foreign Weapons and related ammunition were procured from the CIA for use by the 10th Special Forces Group (Abn). Additional foreign weapons for training have been requested by the Commander Officer, 10th Special Forces Group (Abn). (Inclosure)

It is requested that you advise me of the availability of these weapons, their stock numbers and unit cost. After receipt of your reply the requirement for available items will be prepared in project form and forwarded through normal military channels in accordance with the current Defense - CIA Logistical Agreement.

Sincerely,

/s/ Pete
